

Session Eleven

Choosing Our Priorities

Are Your Efforts Producing the Results You Want?
(The following are based on the Pereto Principle.)

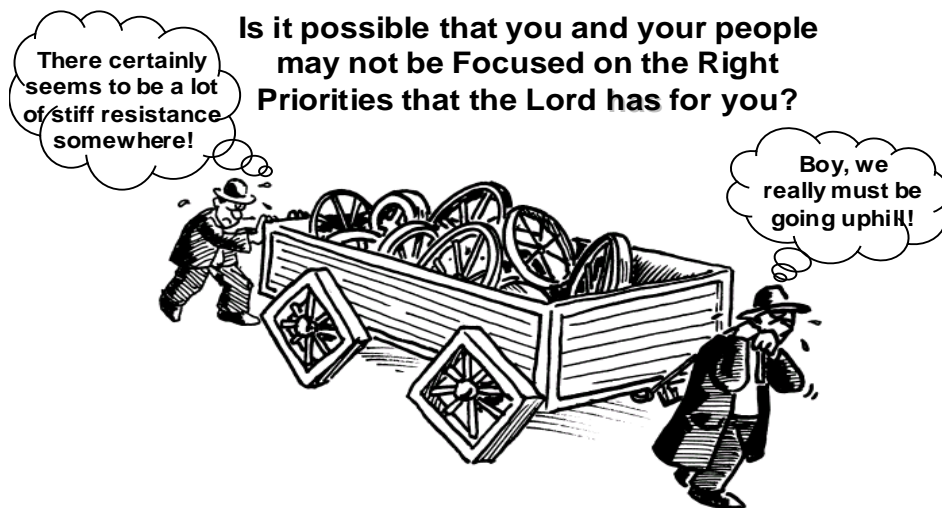

If you could discover what that 1% is that is producing the results you want and increase that to 2% of your effort you could double (3% triple) your actual meaningful results!

What Do You Value In Life and Ministry?

Are You Investing Your Life Accomplishing Things You Value?

Are You Tired of Pushing and Pulling A Church With Square Wheels?

It takes more than dedication to lead a Ministry God's Way!

What Does God Value?

How Do We Determine What God Values and then Spend Our Effort on the Things That Matters to God?

Choosing Right Priorities
